Additional name for the authorised product Stald Chok Flugspray
D

Based on the submitted documentation, the Swedish Chemicals Agency concludes that the biocidal product below under the notified additional name is essentially similar¹ to the already authorised product.

The Swedish Chemicals Agency has in accordance with the applicant's notification, registered the additional name for the product below in our Pesticides Register.

Product name	Stald Chok Flugspray D
Swedish product authorisation No	5108
Additional name	Kvitt mot flygande insekter

Attached to this letter are:

- an annex with information about the additional name of the product
- an excerpt from the Pesticides Register about product provisions.

The register is available at the Swedish Chemicals Agency's website www.kemi.se.

Please observe that all the provisions that are specified in the decision for the authorised product apply also when the product is placed on the market under the additional name.

The Swedish Chemicals Agency does not approve labels for products. It is the responsibility of the applicant to make sure that the product is placed on the market with a correct labelling and that the label is in accordance with the provisions in the authorisation for the authorised product.

Yours sincerely

Malin Stenström

¹ In accordance with Chapter 4, Section 14 of the Pesticides Ordinance (2014:425).
