### Additional name for the authorised product Mosi-Guard Natural Spray

Based on the submitted documentation, the Swedish Chemicals Agency concludes that the biocidal product below under the notified additional name is essentially similar<sup>1</sup> to the already authorised product.

The Swedish Chemicals Agency has, in accordance with the applicant's notification, registered the additional name for the product below in our Pesticides Register.

Product name	Mosi-Guard Natural Spray
Swedish product authorisation No	4317
Additional name	Autan Defense Plant Based Active Ingredient* Insect Repellent

Attached to this letter are:

- an annex with information about the additional name of the product.
- an annex from the Pesticides Register about product conditions.
- an annex with conditions for Mosi-Guard Natural Spray that must be reflected on the labelling of the biocidal product with the additional name.

The register is available at the Swedish Chemicals Agency's website [www.kemi.se](http://www.kemi.se).

Please observe that all the provisions that are specified in the decision for the authorised product apply also when the product is placed on the market under the additional name.

The Swedish Chemicals Agency does not approve labels for products. It is the responsibility of the applicant to make sure that the product is placed on the market with a correct labelling and that the label is in accordance with the provisions in the authorisation for the authorised product.

<sup>1</sup> In accordance with Chapter 4, Section 14 of the Pesticides Ordinance (2014:425).
